LB 578

SENATOR NICHOL: Mr. President, I would like to have permission to substitute 576 in place of 578. The purpose being it is a shorter bill and it will not be cluttered up so much. I know that Senator Kremer and others much more interested so I ask permission to do that.

SPEAKER LUEDTKE: You want to switch?

SENATOR NICHOL: Yes, just switch their places in line.

SPEAKER LUEDTKE: Where is 576?

SENATOR NICHOL: 576 is down about 20 bills from 578.

SPEAKER LUEDTKE: Is there any objection to the switch?

SENATOR NICHOL: I think that you will get at some of your other bills a lot quicker if we do it this way.

SPEAKER LUEDTKE: Senator Barnett. Do you object?

SENATOR BARNETT: Only to....

SPEAKER LUEDTKE: He is asking for unanimous consent to switch.

SENATOR BARNETT: I won't be able to take care of those amendments.

SENATOR NICHOL: That is the purpose of it.

SENATOR BARNETT: Oh, you don't want the amendments?

SENATOR NICHOL: No.

SENATOR BARNETT: Oh, I object.

SENATOR NICHOL: I move that we do it this way. I don't want to spend time on it, if somebody objects, okay.

SPEAKER LUEDTKE: As long as we don't spend all kinds of time arguing about it. Motion is...all right, motion to just vote on the motion to take up 576 which is down the line about 20 bill in lieu of 578 and to reverse the numbers. All those in favor of allowing Senator Nichol to do this. Senator Barnett you don't want to debate it do you? All right all of those in favor of allowing Senator Nichol to do this vote aye, those opposed vote nay. That is to switch 576 for 578. It requires 25 votes. Has everybody voted on Senator Nichol's request?

SENATOR NICHOL: Mr. Chairman, I'll just take the one that came up.

SPEAKER LUEDTKE: All right proceed then with LB 578.
